ŞİRKET PROFİLİMİZ

1979 yılında İstanbul'da kurulmuştur. Otomotiv ana sanayi ve yedek parça piyasasına oto elektrik malzemeleri üretimi yaparak piyasaya sunmuştur. Kısa bir süre sonra sektörde **AK-SA** markasının tercih edilmesi bizlere daha titiz bir çalışma sorumluluğu getirmiştir. Firmamız bu durumun değerlendirmesini yaparak firma içindeki teknik ekibini güçlendirip; Ar-Ge, Tasarım, Kalite Kontrol ve Kalıphane birimlerini oluşturarak ürün kalitesini daha da geliştirmiştir. Ürün yelpazesine de yeni ürünler katmış ve katmaya da devam etmektedir.

Yurt içi taleplerini karşılamakla birlikte yurt dışı pazar araştırması yapılarak kısa sürede ürünlerimizi başta avrupa ülkeleri olmak üzere dünyanın birçok ülkesine ihraç etmeye başladık ve son on yıldır da üretimimizin % 65 ini ihraç etmekteyiz. Bu da firmamız için gurur kaynağıdır.

Bu yıl şirketimizin 30. kuruluş yıldır. Siz saygıdeğer müşterilerimizin **AK-SA** ürünlerini tercih ederek vermiş olduğunuz destekle bundan sonrada ilk günkü heves ve kararlılıkla çalışmaya devam ederek sizlerin güvenine laik olmaya çalışacağız.
